WORK EXPERIENCE

Fred is an entrepreneur who has worked more than thirty-five years in leadership roles in multiple industries. He has combined the best of big-company thinking with entrepreneurial instincts to create marketplace success. When team members work with Fred they gain psychological insights from his immense multi-industry life and career experience. His proven strategies to improve business relations lead to increased customer satisfaction, productivity, and more closed sales. When mindsets change service culture, morale, and productive outcomes increase exponentially.

Fred is an accomplished influential, inspirational, and engaging international speaker and presenter. He has addressed hundreds of audiences and works with leaders and professionals on transforming talents into productivity. Fred connects in a unique way—he's relatable!

PERSONAL INTERESTS

Fred is a highly recognized nonprofit fundraising authority. Most notably, as a board member of St Jude, he developed, directed, and grew an ongoing nationwide program that has raised more than \$450 million.

TESTIMONIAL

"Fred, is one of the most outstanding professionals with whom I have ever worked. Fred is an excellent communicator, problem solver, influencer, and all-around talented leader. He excels in the public arena with outstanding presentation skills and he possesses unique qualities that pull teams together. Fred has been a valuable asset to our company." –Carling Dinkler, III | CEO | Custom Conventions
