#### MY WHY?

Ross has a strong passion to see leaders and organizations reach their potential, to the mutual benefit of all they lead. He assists them in reaching their next level of success through facilitating in the areas of training, coaching, and consulting.

#### AREAS OF EXPERTISE

- Leadership Training and Coaching
- Team Alignment and Synergy
- Communication Skills Training and Coaching
- Human Performance
- Employee Engagement
- Behavioral Safety Training and Coaching
- Business Modeling Innovation
- Culture Change and Alignment
- Training Design and Development

#### WORK EXPERIENCE

Ross brings extensive management and administrative experience from the fields of offshore construction, industrial and commercial construction, secondary education, and church leadership. As an entrepreneur, speaker, businessman, superb facilitator, and coach his training has helped hundreds of leaders and organizations be more successful. This success is realized through the application of foundational leadership, business, and life principles. He has helped to shape organizational cultures through training and coaching in the areas of leadership, effective communication, teamwork, and behavioral safety concepts and beliefs.

Throughout his career, Ross has help leaders and organizations identify and reach their next level toward ultimate success. He has helped large organizations like Shell Oil, Seadrill, or Cameron LNG through transitions, mergers, and roll outs. He has also assisted smaller companies like STS Industrial grow 219% over three years to 15 million in revenue. In every situation, Ross' goal is to improve leadership and improve lives.

#### PERSONAL INTERESTS

Ross is happily married to Celeste, his wife of 38 years. Together they have six children and five grandchildren. They enjoy times of connecting with family and friends, often around a great meal. Ross also enjoys ministry, carpentry, and outdoor sports.
